MASTER LIST OF AUTHORS AND BOOKS

List of Authors and Books Not Recommended

by Bud Press

Contemplative Spirituality, Cultic, Emerging Church, Heretical, Homosexual, Lesbian, New Age, New Apostolic Reformation, Pro-Gay, Purpose Driven, Transgendered, and Word-Faith Authors and Books Advertised and Promoted within Online and Walk-in Christian Bookstores Worldwide

Revised & Updated: April 27, 2010

To the Reader: The following MASTER LIST consists of authors and books found advertised and promoted within online Christian bookstores worldwide. Certain books may be ordered online from walk-in Christian bookstore databases. Although special care has been taken to provide current and accurate information, the reader is encouraged to check and verify the names prior to their removal.

While the *Homosexual, Lesbian, Pro-Gay, Transgendered* category contains authors who are either homosexual, lesbian, transgendered, or pro-gay, not all of the authors are homosexual or lesbian or transgendered.

In each category, the authors' names are arranged in alphabetical order and in a single line. Information about the authors and books may be located by conducting a Google Search on the author's name (www.google.com) or by reading the "Description" section on the book provided by the online bookstore. The title (name) of the author's book is in *italics*.

Research Tip: Use quotation marks and the + sign to centralize your research topic. Example: "Benny Hinn" + "false prophet".

Although positive changes have taken place within the online and walk-in Christian bookstores, it is important that website managers and employees continuously monitor their websites and databases to ensure that solid, Bible-based materials are being presented to the body of Christ. As long as a bookstore claims to be Christian, it should be Christian through and through. Indeed, the spiritual welfare of Christians and those searching for the real Jesus should be foremost in the minds of *everyone* involved within the Christian book industry.

This MASTER LIST is updated periodically, and will be of great use to bookstore affiliates, customers, distributors, employees, managers, owners, publishers and vendors of both online and walk-in Christian bookstores.

Permission to Reprint: Bud Press has made this MASTER LIST available free-of-charge to the body of Christ and Christian bookstore industry employees. Permission to reprint is granted provided it is reproduced in its entirety, without additions or changes, and for non-profit/not-for-sale use. Making hard copies for personal use or distribution is encouraged.

Acknowledgements: The MASTER LIST has been made possible through the valuable assistance of Christians worldwide. Their love for the Lord, the truth of His word, and concern for the spiritual welfare of their fellow Christians are first and foremost in their lives. Indeed, their courage is remarkable.

Your comments and questions are welcomed. Until then, may the Lord bless you in your efforts to test all things, defend the faith, guard the flock, and expose the unfruitful works of darkness (1 Thessalonians 5:21; Jude 3; Acts 20:27-32; Ephesians 5:11).

Sincerely in Christ,

Bud Press

Introductory note from Spiritual Research Network (Updated 8/9/13)

Far too many Christians these days are buying, reading, recommending, selling, lending, promoting and involving themselves with books and authors that either teach or give full endorsement to unbiblical teachings and activities.

The reason for this is that far too many Christians do not "Test all things, hold fast what is good" (1 Thess. 5:21).

The types of books we are referring to are:

Contemplative Spirituality, Cultic, Emerging Church, Heretical, Homosexual, Lesbian, New Age, Pro-Gay, Purpose Driven, Transgendered, and Word-Faith Authors and Books Advertised and Promoted within [MANY] Online and Walk-in Christian Bookstores Worldwide.

Our intention in posting **The Master List** is not to tell Christians they can't read books, do research or think for themselves. Rather, it is to warn people about aberrant, heretical and occult teachings and practices that are found in varying capacities in the books on the list.

If you recognize an author, book or ministry on this list we encourage you to be careful if you are wanting to buy the book or recommend it to a friend or family member. Do your own research and test what you find, in light of sound biblical theology. This is what Christian research ministries and pastors are doing in order to warn people against spiritual deception and this is why we have made this list available.

Lastly, our motivation in posting this list is not to malign, pick on, make fun of, slander or speak ill of any fellow human being. Our motivation is to lovingly exhort people to use discernment in regards to these books, authors and ministries. The list is updated from time to time and can be of great use to bookstore owners, affiliates, customers, distributors, employees, managers, publishers and vendors of both online and walk-in Christian bookstores.

It is our prayer that you will be spared from unbiblical teachings and practices that could lead you away from the biblical Jesus Christ and the Gospel of God as found in the Bible.

Chris Lawson, Spiritual Research Network
